

# 2019-2020 MUSIC ENROLLMENT

We are presently accepting registrations for private music lessons for the 2019-2020 school year. We need your enrollment form to reserve a spot. The cost for music lessons is \$510.00 for 30 half-hour lessons (\$17 per lesson) during the school year. Payments may be made on a monthly basis, and paid with tuition payments on the first of the month. Make-up lessons are given if there is a scheduling conflict or teacher illness, so that each student will receive 30 lessons. The lessons will be scheduled before or after school or during the day as appropriate. The music teacher will contact you with your child's lesson time. Please use the form below to enroll a new or returning student, and return it with your enrollment paperwork.
